BRIEFING BY THE CITY MANAGER

Camp Murray Gate Update

City Manager Neiditz provided an update on the Camp Murray Gate. He explained that Camp Murray and the City agreed to share traffic data. He reviewed the three gate relocation options: 1) to remain the same, 2) a proposed Grant Avenue option, and 3) a proposed Portland Avenue option. Camp Murray's concern is that the Grant Avenue option would compromise their anti-terrorism security. It is proposed that the Portland Avenue option might be viable with modifications of a roundabout at Berkeley Avenue, include a disincentive measure to have a free right turn on Berkeley and Portland Avenue, construct five raised crosswalks and a school zone on Portland Avenue to emphasize the pedestrian nature of the area that would minimize traffic from traveling on Portland Avenue. A joint meeting with the Planning Advisory Board, the Citizens Transportation

Advisory Committee and the Redevelopment Advisory Board to discuss the proposed Camp Murray gate relocation is scheduled for Tuesday, July 19, 2011. Assistant City Manager Bugher displayed diagrams of the proposed modifications. Grant funding of \$1.2 million for this project will be extended to the Lakewood community by Camp Murray.
