### ITEMS FOR DISCUSSION:

Western State Hospital Update.

Mr. Ron Adler, CEO, Western State Hospital, provided background information and a brief overview of the services provided at Western State Hospital.

Discussion ensued on the patient population history and the staffing ratio levels; and receiving more information on all the services provided at the hospital at a future update.

#### **Amending the land use and development code relative to satellite parking lots.**

Assistant City Manager Bugher and Planning Manager Catron reviewed a proposed land use amendment for satellite parking lots.

Discussion ensued on the Planning Advisory Board's vote on the proposed amendments and if there was there confusion that used car parking lots would be allowed in the AC2 zone; what can be allowed in the AC2 zone (least critical of the AC zones generally industrial uses; restrictions on intensity of use in terms of people per acre, performance standards for noise and limited expansion of single family homes and apartments); are schools allowed in AC2 zones (no); how many days is the Starlite Swap Meet allowed to be opened; are the land use policies specific to the Starlite proposal to be amended in 2015 (staff is looking to remove satellite parking from the zoning code); confirm that the Planning Advisory Board was looking at the same policies when the Comprehensive Plan was adopted; what were JBLM's reasons for having no concerns with the proposed amendments; how many individuals provided testimony at the public hearing (one); what comments were received by property owners in the area; how many satellite lots could there be in the AC2 zone; what were the Planning Advisory Board's reasons for voting for and against satellite parking lots; how is satellite parking different from on-site parking; how are parking requirements determined and what would the parking requirement be for the Starlite Swap Meet; are there curbs, gutters and sidewalks on the Starlite property; and sending this back to the Planning Advisory Board for consideration upon completion of the Joint land use study.

#### **Review of accounts receivable write-offs.**

Assistant City Manager Kraus reviewed the accounts receivable write-offs amounting to \$21,295.22.

Discussion ensued on the \$10,819.91 damage to property.

#### **Review of the Washington State Treasurer's Office local option capital asset lending program relative to the LED streetlights retrofit project.**

Assistant City Manager Kraus reviewed the State Treasurer's Office local option lending program for LED streetlights conversion in the amount of \$1,655,000.

Discussion ensued on the inflation rate; is this a general obligation of the City and how often are payments made (twice a year).

#### **Review of Third Quarter 2014 Financial Report.**

Assistant City Manager Kraus reviewed the third quarter 2014 financial report.

Discussion ensued on what are the sales projections for the Curbside Motors Section 108 loan; and looking at locations for economic development activity to generate sales tax.

#### **Review of Third Quarter 2014 Police Accreditation Report.**

Assistant Police Chief Zaro reviewed the Police accreditation process through the Washington Association of Sheriffs and Police Chiefs.

Discussion ensued on the use of force and how it is impacting policies; what is the level of legitimacy of the businesses being conducted at the Starlite Swap Meet; is the law enforcement community working on the records component as it relates to body camera videos; how the use of body cameras should be a policy decision of the Council; and what are the requirements for retention of videos.

#### **Review of a proposed amendment to Chapter 2.26 of the Municipal Code to change the name of the Human Services & CDBG Funding Advisory Board to Community Services Advisory Board.**

City Attorney Wachter reviewed the proposed amendments to Chapter 2.26 of the Municipal Code to change the name of the Human Services and CDBG Funding Advisory Board to Community Services Advisory Board.
